The Builders Exchange of Rochester is aware of the new mandatory requirement for lead safe work. Come April 22, 2010 the law requires a minimum of one 8 hour EPA Renovators Certification available at all times. You must be in compliance or risk fines. If you have had this certification in the past you should also know it must be renewed every 5 years. Recertification can be done with a 4 hour course.

**Who needs this certification?** Contractors, property owners/managers and anyone who is doing renovation work for compensation that may disturb painted surfaces.

**What sites qualify?** Any site constructed prior to 1978 where children 6 years old or younger will visit 60 hours per year. These include day-care centers, preschools, kindergartens, homes, housing projects and developments.

You must complete training and the certification process by **APRIL 22!** Penalties will apply if you do not certify under the new EPA rules for renovation, lead safe work.

**YOU MUST HAVE 1 CERTIFIED EMPLOYEE AVAILABLE AT ALL TIMES BY APRIL 22 TO CONTINUE WORK ON CURRENT PROJECTS. IF YOU ARE NOT SURE IF YOU ARE EFFECTED CALL THE EPA DIRECTLY AT 732-321-6671.**
