

**E-chx Payroll, a national provider headquartered in Rochester, NY. has partnered with The Builders Exchange of Rochester to offer a streamlined solution designed to save you both time and money.**

## Why E-chx?

### Award Winning Customer Service

At E-chx we understand that payroll questions need to be answered in a timely manner, which is why we provide each client with one of our award winning payroll specialists to handle all payroll inquiries. No calling in to phone pools and no waiting for the next available operator.

### Clear Pricing

Traditionally the competition charges their clients for each and every service they provide, pricing rarely matches initial expectations. At E-chx we don't do that! We provide you with one price that includes all of our basic services, and a streamlined invoice that simplifies your budgeting process.

### Flexible Input Options

"Encore", E-chx's proprietary online payroll solution, is designed to simplify the payroll process without having to sacrifice functionality. With 24 hour access and real-time payroll reporting Encore offers flexibility and functionality to meet the demands of today's businesses. You may also communicate payroll via phone, email, or fax.

### Employee Payroll Portal

Employees may access paystubs, view W-2's, and file notices with Human Resources online through our secure site. Employers may place up to 5 documents, 10 web-links, and utilize the bulletin board feature in the portal to keep in contact with staff.
